

Accessibility of Public Washrooms (Mississauga 2017)

Info

This map displays the Public Washrooms in Mississauga with relation to how many people might potentially be using the washrooms. This map is useful for the frequent shopper who needs to plan shopping trips. The areas with low amounts of people (Yellow) are more likely to have available and clean washrooms. The areas with high amounts of people (Red) are more likely to have occupied and dirty washrooms.
